- **Holiday Programmes**
- **Before and After School Care**

Our programmes are funded with the support of the
Ministry of Social Development (MSD)

Our philosophy

Y Kids Out of School Care is much more than a child-minding service. They are recreation based, and the aim is to meet the needs of children in their out of school hours in a fun, safe and learning environment. Each child is a different, unique person. While they have commonalities, their uniqueness should be embraced and fostered.

Each programme offers a variety of activities that may include arts and crafts, sports and games and some incorporate homework activities.

We provide a safe environment for your child to relax in after their day at school while ensuring there are stimulating options for those still with energy.

The Y is a values-based organization. Our values of Honesty, Responsibility, Respect and Caring are what drives our programme content, how we manage behaviour, and the way that we interact with participants, their whanau and staff. We aim to develop, foster and support positive relationships with communities by providing strong values-based programmes that support our local communities.

Holiday Programme

Our school holiday programmes offer a range of themed in-house days as well as off-site adventures, with something for everyone. Much like school, we ask that children are onsite by 8:30am each day to ensure a smooth start to the day. To see our current holiday programme timetable visit www.ycentral.nz

Before & After School Care

We believe it's important for Before & After School care centres to have a clear and consistent structure each day to provide stability for all kids, parents and staff. Below is a guide of a typical daily routine. Each site may vary slightly to ensure a suitable fit for children and centres culture.

Before School Care - Centre opens

A variety of free-play and child-centred activities are facilitated by staff.

8.15am- (Whanganui, Palmerston North, Linton Sites)

Children are transported to school.

8.25am- (all other sites)

Children gather for a roll call and get ready to head to class at 8.30am.

After School Care - Centre opens at end of school

Children arrive from class and have their name signed off of the roll. For sites where the programme does not run at a school, children are collected from their school by van/bus and brought to a Y operated centre.

3.30pm - Afternoon tea

4.00pm – Daily Activities Start

Daily activities run alongside child-led activities and free-play that our staff facilitate. Daily activities may include cooking, arts and crafts, science, cultural activities, sports, drama, dance and more. Staff plan activities based upon feedback and interests of the children in our programmes.

5:30pm (Linton Army Community Centre & Hiwinui)

Everyone has been picked up and the centre is clean, tidy and packed away ready for the next day.

6:00pm (All other sites)

Everyone has been picked up and the centre is clean, tidy and packed away ready for the next day.

We build strong kids,
strong families and
strong communities
through investing in
the next generation.
