

Craig Fairhall

We moved to Ngaio about 6 years ago, a key reason being schooling and have found it to be a fantastic place to live and the community is amazing. I have two children at Ngaio school in years 2 and 4 and one of the reasons I joined the board is to be able to contribute and help ensure all our tamariki thrive.

Our family is very active and you will often find us out on our bikes or running in the hills on the weekend enjoying the fantastic spaces we have in Wellington. We have a great school and having facilities both in and out of the classroom for children's learning and growth needs is an important part of providing for them.

I work in the strategy and delivery area, currently with the Regional Council. My role is to understand and develop the future for the organisation and then help implement changes to achieve it.

I hope to help the school and community by seeing Ngaio School thrive and we are set up for success.
