

Daniel Mumford

Kia ora. My name is Dan and I am pleased to be a parent representative on the Ngaio School board. I am a parent of three children at Ngaio School - my eldest is in year five, my middle child is in year three, and my youngest is in year one. I have lived in Ngaio for the last 10 years and enjoy being part of the local community and all that our suburb has to offer.

I am a lawyer with experience both in private practice at a large, national firm as well as in the public sector, where I currently work for the Department of Internal Affairs.

I look forward to continuing to contribute to the board and supporting the school community to help our children reach their full potential.
