Kia ora e te Whānau

We have now confirmed the term 3 staff only day as Friday 23 August, which takes us to the correct number of days open for 2024. This mid term break for ākonga will allow staff to work together for the day on important curriculum developments.

The Clinic held another amazing session this week, focusing on 'loose parts play' to celebrate International Play Day. If you've read our 2024 annual plan you'll know that we're also exploring the place of play in our curriculum programmes at Ngaio School. We've been researching,

discussing and reflecting on play as part of this project. During these loose parts sessions it is amazing to see what ākonga create and how they interact with each other - we loved seeing all the imagination, creativity and problem solving. The Clinic has a great collection of loose parts, but the activity is so popular they get snapped up pretty quickly. If you have any 'loose parts' you could add to their collection, I know they'd be appreciated! Anything from cable reels, cargo nets and boxes through to wheels, wood, pipes and rope that will encourage kids to play creatively, use their imaginations and energy, make new friends and discover and develop social and cognitive skills.

We're looking forward to our Matariki parakuihi (breakfast) celebration on Tuesday 27th June. We're very grateful to see the growing list of people able to help out.

Thank you to Heather and her team of helpers for coordinating the sausage sizzle in wet conditions today. Ākonga loved it!

Have a great weekend

Artist In Residence Trip

Recently we went to Samuel Marsden and participated in the Artist in Residence. We made a collage out of magazines and other pictures that

we liked. After that we framed a part out and traced it, then we took water colour and tried to copy the colours and shapes. The people who helped us with it were called Lori and Kathryn.

During the activity we learnt how to make collage. After doing this artwork we feel we could teach others about collage.

Thank you to everyone for the opportunity.

Road Patrol help for Term 3

We have amazing helpers for Road Patrol and we would like to thank you for all you do.

This week, I saw a member of the community stop to thank our children for their service. It's lovely to hear parents thanking the

children as they cross. I would also like to give a HUGE thank you to the people who have stepped up to cover extra duties over this term. It makes me feel very proud to be part of our community.

Looking towards Term 3, we will require more help to support our children with their road patrol duties.

Road Patrol is a great way to meet other parents and help to support children in our school. The morning duties start at 8.25am and the afternoon duties start at 2.55pm. The gates patrolled are on Abbott Street and Ottawa Road.

If you are available to help on Road Patrol for Term 3, please phone Nataleigh Elston on 022 304 1137.

Thank you so much
