Kia ora whānau,

It is hard to believe we have already reached the end of Term 2! It has been a busy, productive, and deeply rewarding first half of the year.

Over the past year, our Board, staff, and leadership team have been designing the Ngaio Graduate Profile. This framework serves as our "North Star," outlining the aspirational qualities, mindsets, and capabilities we want every single ākonga (learner) to possess by the time they graduate from Year 6.

Our profile is built from the ground up, starting with Belonging (Tūrangawaewae). We know that when our children feel a deep, valued connection to their environment, their history, and each other, they gain the confidence to soar. From this foundation, we intentionally grow our students to: *take responsibility, be resilient, curious & creative, critical thinkers and problem solvers.*

You can now view the full breakdown of our Graduate Profile on our updated school website [page](#)

This week, I was lucky enough to spend time with our Year 6 students, both in their classrooms and seeing them during their recent open day at Raroa Intermediate. They are an incredible group of learners who are truly thriving in their final year at Ngaio School. On Wednesday, the children showed their Passion Projects to me, and I was blown away by their creativity and technical skill.

Sean's detailed basilisk lizard habitat and enclosure, and Nicholas's intricate, working piano action model.

I would also like to extend a massive congratulations to Cerys, who successfully placed in a short story writing competition. Cerys was up against teenagers much older than her, and we are incredibly proud of this achievement. You can read her wonderful story [here](#).

Looking Ahead to Term 3

While a well-deserved holiday is almost here, we have some wonderful events lined up for our return:

- Matariki Morning (Thursday 23rd July, from 7:30 am): Join us during the first week back for kai, waiata, and a chance to remember, reflect, and connect. More details are available on HERO, and reminders will be sent out next term.
- Mid-Year Reports: Our teachers are currently finalising mid-year reports. As flagged earlier this year, these will look a bit different from previous reports. We have worked hard to ensure they are clear, informative, and reflect the progress conversations you shared during our recent three-way conferences.

Thank you all for your ongoing support of our children, our staff, and our wider school community.

Have a wonderful, safe, and relaxing holiday break. Keep warm, keep dry, and we will see you all refreshed for Term 3!

Ngā mihi nui,

Phil

Move It Monday Games Galore!

Kick off the week with a high-energy day packed with running, jumping, dancing, sports, relay races, and exciting group games! Learners will build teamwork, confidence, coordination, and friendships while staying active and having loads of fun together.

Tuesdays Quiz & Gameshow Day!

Get ready for buzzers, brain teasers, trivia challenges, and gameshow-style excitement! Learners will test their knowledge, solve puzzles, learn fun facts, and work together in friendly competitions filled with laughter and learning.

Wednesdays Fear Factor

Get ready to push your limits and laugh your way through chaos as we embark on our very own Fear Factor challenge! Join us for an afternoon of crazy challenges - some gross, some fun and some tasty - all designed to test how fearless you are. So, are you brave enough to take on the challenge? There's only one way to find out!

Thursdays Arts, Crafts & STEM Fun!

A colourful day of imagination, creativity, LEGO building, STEM challenges, arts, crafts, and hands-on projects! Learners will design, build, experiment, and create unique masterpieces while exploring their artistic and problem-solving skills.

Fridays Feel Good Friday

End the week with a fun-filled day focused on confidence, friendship, wellbeing, and positivity! Learners will enjoy exciting team activities, movement games, creative challenges, music, dancing, pamper-style fun, and feel-good experiences designed to boost smiles and celebrate being themselves.

Energetic games designed to support fundamental movement, teamwork and being on the move in a supportive environment.

A range of activities which encourage self expression and to explore new mediums and techniques.

Preparing our tamariki with diverse skills to navigate their way through their development and their experiences.
